

SCOPE OF WORK

Rebuild Loft Stairway Handrail

- Reproduce Handrail, Balluster and Newel Post to Original Design. All Wood will be Natural Log/Branch with Bark Removed. Balluster will be Rounded and Tapered at End to Fit into Existing Dowel Holes on Treads. Wood Will be Sanded Smooth.

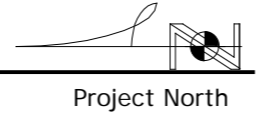

MATERIALS

No Wood will be Gathered from Park Area Without First Obtaining a Dead Wood Permit from Park Authority. Wood Cutting Locations will be Directed by Park Authority.
